Dedication

This year's Pyramid takes pleasure in dedicating our 1964-65 edition to our teaching family, Mr. and Mrs. Louis Templeton.

Mr. Templeton joined the PCHS staff in 1939 after teaching two years at Cobden High School and one year at Barry High. During his over two decades of service to our school, the many awards and accomplishments of his agriculture students speak eloquently of his abilities as a teacher of young men.

Mrs. Templeton made teaching a family affair when she joined her husband on the PCHS staff in 1945. She had taught in a rural school in Wayne County, Illinois, at Cobden High School, and at Pinckneyville Grade School, before joining the PCHS faculty. She is now teaching Latin and is our librarian. Our well-stocked and efficiently operated library is a tribute to her ability.

Mr. and Mrs. Templeton have a fine family of three daughters. Leah is a recent graduate of Northwestern University and recently married one of Mr. Templeton's former agriculture students, Richard Engelhardt. Louise is presently attending Southern Illinois University, and Helena is a student at Pinckneyville Junior High.

Mr. and Mrs. Templeton and their family have been active members of the United Presbyterian Church and have been working participants in various civic and social affairs of our community.

The Pyramid staff takes great pride in dedicating our 1964-65 yearbook to this fine teaching family.

Dear "Doc",

It sure has been fun being in your study hall. (Even though we didn't get much studying done!) I think that Nancy + I would have caught you if you had fallen off your chair. You really put up with a lot when you put up with our 2nd hour Study Hall. You probably didn't hear most of our sound effect!

Lots of luck in your future and I hope you never get another study hall like this one! Best Wishes.

A Second Hour Student,
Lois

Dear "Papa,"

I will never forget all the ball games and all your teasing. I really enjoyed it. Study Hall has been fun too, I liked the jokes you told me.

Chemistry has surprised me last this year. You are a very good teacher, and I really learned a lot. (I think.) Good luck and continued success in your teaching career.

Mr. Thomas,
I have enjoyed your
math class greatly
it has been fun most
of the time except when
you left the room.

I hope you have many more
successful years of teaching. My sister will
probably get math so don't be too hard on her
and make her work for her
(easy)
